# CORIAN® SOLID SURFACE NEW AESTHETICS

AESTHETICS THAT MOVE BEYOND MERE SURFACES TO CREATE A SENSE OF PLACE, OF EXPERIENCE, AND CAPTIVATING STYLE. THE NEW COLORS OF CORIAN® SOLID SURFACE ENCOMPASS HIGH PERFORMANCE AND HIGH-LEVEL BEAUTY.

Corian® Solid Surface can be used to create seamless designs like cove backsplashes, which have no rims to trap dirt and are easy to clean. Solid Surface is the only major surfacing material that can be thermoformed, shaped and carved for any space, and it's repairable too. Perfect for residential designs, such as bath vanities, showers, kitchens, and laundry rooms. Each new aesthetic offers the chance to rethink modern living and live everyday extraordinarily.

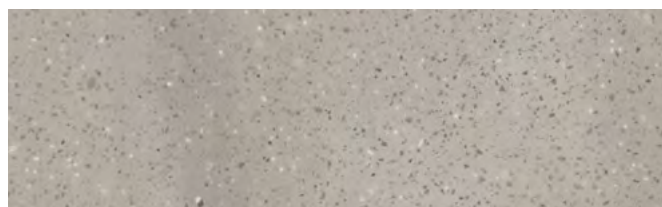

The collection includes Carraras, well defined veining patterns inspired by eternal marble stone, Artistas, tone on tone smooth veining set in a neutral background, and Sparkling Granita, translucent grinds and subtle sparkles.
